|                                                                                                                                                                            |                       |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| National Institute of Fashion Technology (NIFT)                                                                                                                            | Delhi, India          |
| ● <i>Graphic &amp; Publication Designer</i>                                                                                                                                | Nov 2024 – March 2026 |
| ○ Created and delivered high-quality visual assets including publications, marketing collateral, and digital creatives (books, brochures, banners, standees, certificates) |                       |
| ○ Designed structured layouts and print-ready files for institutional and government publications.                                                                         |                       |
| ○ Led end-to-end design execution for multiple projects, ensuring timely delivery and quality standards.                                                                   |                       |
| ○ Developed and managed engaging visual content for social media, improving brand visibility and consistency.                                                              |                       |
| ○ Collaborated with cross-functional teams to translate concepts into impactful visual communication.                                                                      |                       |
| ○ Maintained brand guidelines and ensured consistency across all digital and print materials.                                                                              |                       |
| Sringaar Exports Pvt. Ltd.                                                                                                                                                 | Noida, India          |
| ● <i>Graphic Designer</i>                                                                                                                                                  | July 2024-Nov 2024    |
| ○ Created precise CAD designs and technical specifications for accessories, bags, and home décor products as per international client requirements.                        |                       |
| ○ Translated client briefs into production-ready designs, ensuring accuracy in measurements and detailing.                                                                 |                       |
| ○ Coordinated with artisans and production teams to implement design modifications in final products.                                                                      |                       |
| ○ Managed end-to-end communication between clients and production for design approvals and revisions.                                                                      |                       |
| ○ Supported bulk order execution by aligning design outputs with client expectations.                                                                                      |                       |
| ○ Conducted product photography and shared high-quality visuals with international clients for review and approval.                                                        |                       |
| Freelance works                                                                                                                                                            | India                 |
| ● <i>Freelance Graphic Designer</i>                                                                                                                                        | April 2023-July 2024  |
| ○ Designed creative marketing collateral including postcards, posters, and custom digital illustrations (map design) for Akar Prakar Gallery, Delhi.                       |                       |
| ○ Delivered visually engaging designs aligned with brand identity and exhibition requirements.                                                                             |                       |
| ○ Created event-specific design assets including standees and digital invitation (e-card) for wedding functions.                                                           |                       |
| ○ Collaborated with clients to understand requirements and ensured timely execution of high-quality deliverables.                                                          |                       |
| ○ Managed end-to-end process from concept development to final delivery.                                                                                                   |                       |

**ACCOMPLISHMENT**
